

The Robinhood Ironing Centre[®]

All your ironing things, tidy and in one place.

Robinhood IC1300 Ironing Centre

- One piece ironing board folds away effortlessly into its own purpose-designed cabinet.
- Built in light and ironing power point with safety timer.
- Ironing board is height adjustable and can be rotated up to 90 degrees left or right to suit your preferred ironing position.
- Cotton coated rayon ironing board cover with quality felt underlay provides ultra smooth ironing surface.
- Draw string and Velcro strips hold ironing board cover firmly and prevent slipping.
- Handy shelves to store your iron and accessories.
- Sturdy galvanised steel cabinet with white easy-clean powder coated paint finish.
- 2-metre power cord for connecting Ironing Centre to an existing power point.
- Can be recessed into the wall or mounted directly onto the surface.

Where the unit is surface mounted to the wall, a Surface Mounting Kit (ICSMK) is required to create a flush finish.

The Robinhood Ironing Centre comes complete with ironing board cover as pictured. Other accessories are not included.

Due to ongoing research and development, the manufacturer reserves the right to change specifications without notice. If specifications are important to end use, please ask your merchant. Terms and conditions are subject to change without notice. Brochure issued January 2010.
