

The **RWG** wall canopy

High, wide and handsome

Robinhood RWG 900 Wall Canopy

Wide extraction area

Ideal to accompany wider cooktops, this 900mm canopy rangehood provides a wide extraction area. Steam, smoke and cooking smells are rapidly removed from your kitchen by the efficient extraction fan. Three-speed switches let you select the fan strength you need – low strength for steamed vegetables; half strength for omelettes; full strength for steaks.

Rectilinear design for easy cleaning

Simple, linear styling makes cleaning easy. High quality stainless steel and finger tip controls need only a wipe with a damp cloth.

Micromesh grease filters

Multi-layered micromesh filters trap grease effectively. They're simple to remove and are easily maintained with a regular clean in the dishwasher.

Halogen lighting

Cooking area is illuminated with two 20 watt halogen lamps. Lamps are quick and easy to replace.

Recirculation if you can't duct

In situations where ducting isn't possible, this rangehood can be fitted with charcoal filters that cleanse the air effectively before returning it to the kitchen.

Turns off if the worst happens

If you have a cooking disaster, and something catches fire, the thermal overload function senses extreme heat and temporarily disconnects power to the motor. This action prevents flames and sparks being sucked into the ducting or ceiling.

Product incorporates a thermal overload function that senses extreme heat and disconnects power to the motor temporarily.

Extraction	Gross Airflow: Up to 736m ³ per hour extraction power.* Net Airflow: Up to 655m ³ per hour extraction power. <small>*The airflow figures are calculated to the IEC61591 standard and includes a 10% tolerance due to motor performance variations.</small>
Finish	Stainless steel.
Lighting	Halogen lighting.
Filter	Multi-layered micromesh. Dishwasher safe.
Decibel rating	Speed 1: 66.0 dB. Speed 2: 67.8 dB. Speed 3: 68.7 dB.
Ducting	Round 150mm ducting outlet. Recirculation option available.
Charcoal Filter Code	2537: 3 pack
Chimney Extensions	2611: 3048mm/10ft 2612: 3658mm/12ft
Safety	Automatic shut off if flames are detected. Fire retardant plastic parts.
Models	RWG3CH9SS: 900 model
Dimensions	

See Wall Canopy Operation and Installation instructions on our website for further information on ducting and recirculation.
